Breathes there a man, with soul so dead,
Who never to himself hath said
This is my own, my native land!
Whose heart hath ne'er within him burned,
As home his footsteps he hath turn'd
From wandering on a foreign strand!
If such there breathe, go, mark him well;
For him no minstrel raptures swell;
High though his titles, proud his name,
Boundless his wealth as wish can claim;
Despite those titles, power and pelf,
The wretch, concentred all in self,
Living, shall forfeit fair renown,
And, doubly dying, shall go down
To the vile dust, from whence he sprung,
Unwept, unhonor'd, and unsung.

Prof. G. C. Creelman

President of Ontario Agricultural College

Is distinctly a home product and one that we are proud of, as he acquired his scientific knowledge at the O. A. C., graduating in 1888 with the Degree of B.S.A. and after spending 10 years as Prof. of Agriculture at the Mississippi State College returned to Ontario as Supt. of Farmers Institutes and was appointed President O. A. College 1904.

**Grocers, Bakers, Butchers
and Caterers**

This is the age of combinations; why should not the workers combine to help themselves.

Our system of business is carried on this principal as we divide the profits amongst our customers.

Last year (1907) we paid 8 per cent. to shareholders and 4 per cent. to non-shareholders on all their purchases, which made a grand total of dividends paid of upwards of \$1,300.

Our aim is to supply only the best quality of goods in all departments.

Our bread is made by machinery which guarantees its cleanliness and purity.

Call or Phone us and your orders will have prompt attention as we have four delivery wagons on the road all the time.

Our Terms are Cash.
